Re: Estate of Lawrence Gay, Jr.
File No. 321827-282015

Dear Ms. Paige:

As you know, we are the attorneys handling the estate and trust matters for Lawrence Gay, Jr. ("Larry") We previously corresponded with you regarding the Lawrence Gay, Jr. Revocable Trust under agreement dated October 5, 2021, as amended (the "Trust"). It has come to our attention that there is an account that was not retitled into the name of the Trust prior to Larry's death. Therefore, probate proceedings with the Court are required in order to obtain the funds in this account. Mahalie Ann Fulton has been appointed by the Court as Personal Representative of the Estate of Lawrence Gay, Jr. (the "Estate") and I am **enclosing** a copy of the Letters of Administration showing her appointment for your records.

Also **enclosed** are copies of Larry's Last Will and Testament and Codicil (collectively, the "Will"). There are several specific bequests of tangible property under the Will and the residue of the Estate is devised to the Trust. Therefore, the assets titled in Larry's individual name (the "Estate Assets") will be distributed to the Trust, and the Trust, in turn, will distribute the assets to the beneficiaries named in the Trust Agreement.

In addition, the Inventory of the Estate Assets will be due to be filed with the Court on or before October 16, 2023 and you will receive a copy of the Inventory for your records.

We are **enclosing** a copy of the Notice of Administration of the Estate, which we are required to forward to you by certified mail unless you sign a Receipt of Notice of Administration. Please read this Notice carefully regarding your interest as a beneficiary of the Estate. We are also **enclosing** a Receipt of Notice of Administration. Please review and, if acceptable, sign and return the Receipt to us for filing with the Court.

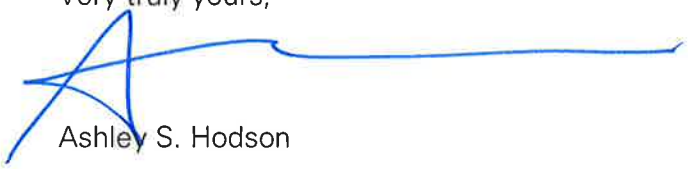

Also **enclosed** is a copy of the Notice to Creditors of the Estate for your files. This Notice was published in a local newspaper (Business Observer) once a week for two consecutive weeks

beginning August 25, 2023. Once published, all creditors have three months from the first date of publication of the Notice in which to file their claims.

In addition, a federal estate tax return (Form 706) is due to be filed on February 19, 2024, but will likely be extended until August 19, 2024. The IRS then has three (3) years from the date of filing to assess any additional estate tax, interest, and/or penalties (i.e., August 19, 2027). Therefore, we generally do not make distribution of any of the assets until the IRS has provided us with an estate tax closing letter, agreeing to all asset values, amounts of deductions, and calculation of estate tax owed.

Should you have any questions or need any additional information, do not hesitate to contact me or my paralegal, Carol Gordon, for assistance.

Very truly yours,

Ashley S. Hodson

LAST WILL AND TESTAMENT
OF
LAWRENCE GAY, JR.

I, LAWRENCE GAY, JR., a resident of Manatee County, Florida, revoke all prior Wills and publish the following as my Last Will and Testament.

ARTICLE 1
FAMILY

I am not married. I have one child, PEGGY PEPE. My daughter, PEGGY PEPE, and her son, STEPHEN L. PEPE, and his descendants, are expressly excluded from any provision of this Will and are to receive no benefit under it. I have one granddaughter, CHELSEA CRAMER. References to "my descendants" mean my said granddaughter and her descendants.

ARTICLE 2
SPECIFIC GIFTS OF TANGIBLE PERSONAL PROPERTY

I make the following gifts:

2.1 Separate List for Tangible Personal Property. I may make gifts of tangible personal property by means of one or more separate written lists. To be effective, a separate list must be signed by me, and must identify the items and persons to receive them with reasonable certainty. If there is a conflict, I confirm the gift of that item made in the most recently dated list. My Personal Representative will not be bound by any written list produced or discovered more than two months after my death.

2.2 Other Gifts. I give the following items of tangible personal property:

i. My personal motor vehicles (including, without limitation, my 2017 Chevrolet Tahoe, 2019 Chevrolet Corvette, and 1997 Chevrolet Suburban) shall be distributed to CHELSEA CRAMER, if then surviving, or, if not then surviving, then to her then surviving lineal descendants, per stirpes.

ii. Any and all tangible personal property located at (1) 7336 Chelsea Court, University Park, FL 34201 and (2) 7623 Whitebridge Glen, University Park, FL 34201, including the contents of each home and the tangible personal property located on the properties, excluding the motor vehicles as set forth above, shall be distributed to DIANE KASO, if then surviving. If she is not then surviving, this devise shall lapse.

iii. I give all my remaining tangible personal property not given by other provisions of this article, including furniture and household furnishings not otherwise herein devised, clothing, jewelry, and personal effects (together with all insurance on those items), to CHELSEA CRAMER, if then surviving, or, if not then surviving, then to her then surviving lineal descendants, per stirpes.

2.3 **Special Terms.** All gifts of tangible personal property under this article are subject to the following conditions.

(a) **Trust for Minors.** If any beneficiary under this article is a minor, the Trustee shall hold that beneficiary's share as a separate trust for the use and benefit of the beneficiary during his or her minority. Alternatively, the Trustee in its discretion may cause all or any part of that share to be: distributed to the beneficiary or to any adult having custody of the beneficiary whenever the Trustee deems appropriate; sold and the proceeds used for the benefit of the beneficiary; sold and the proceeds added to the share of my estate to be held in trust for the beneficiary; or disclaimed for and on behalf of the beneficiary by my Personal Representative or the Trustee.

(b) **Division by Personal Representative.** If the persons entitled to these items cannot agree upon a division within six months after my death, my Personal Representative shall divide these items in its discretion among those persons, and that division will be conclusive and binding.

ARTICLE 3
RESIDUARY ESTATE

I give all my Residuary Estate to the then serving trustee of the LAWRENCE GAY, JR. REVOCABLE TRUST, created today prior to the execution of this Will (referred to in this Will as "my Revocable Trust"), as it now exists or may be amended after the execution of this Will, for administration under its terms. If the gift to that trust is ineffective for any reason, I give all my Residuary Estate to the Trustee upon the same terms and conditions set forth in that trust as of this date. I incorporate those terms by reference, but only for the purpose of this contingent gift.

ARTICLE 4
APPOINTMENT OF PERSONAL REPRESENTATIVE

I appoint my sister, MAHALIE FULTON, as my Personal Representative. If she fails or ceases to serve, I appoint my granddaughter, CHELSEA CRAMER, to serve as Personal Representative. A Personal Representative will be entitled to reasonable compensation. I direct that no Personal Representative be required to post bond or other security.

ARTICLE 5
SURVIVAL PROVISIONS

If any beneficiary is required to survive me or another person to receive a distribution, and if the beneficiary does not survive me or that other person by 90 days, or if that beneficiary cannot be located within one year after my or that other person's death despite reasonable attempts by my Personal Representative to locate that beneficiary, the beneficiary will be treated as if he or she died before me or that other person.

ARTICLE 6
PAYMENTS OF OBLIGATIONS, EXPENSES, AND TAXES

My Personal Representative shall pay all of my obligations, expenses, and taxes as follows:

6.1 Obligations. I direct that my legally enforceable obligations (except those secured by mortgages or other security instruments) be paid in the order and manner prescribed by law.

6.2 Expenses and Taxes. The term "expenses" includes all estate transmission or management expenses of my probate estate and all costs of my last illness and funeral; the term "estate taxes" means all state and federal estate, inheritance, or transfer taxes payable by reason of my death (including the generation-skipping transfer tax on any direct skip created by the express terms of this Will rather than by disclaimer), plus any related interest and penalties attributable to these taxes, but excluding any other generation-skipping taxes. I direct that all expenses of my estate and all estate taxes charged with respect to my gross estate for estate tax purposes (including estate taxes on assets that do not pass under this Will) be paid by the trustee of my Revocable Trust, as permitted under Section 733.817 and despite Section 738.201(2)(c) of the Florida Statutes. For these purposes, I incorporate by reference the tax apportionment provisions of my Revocable Trust. To the extent these amounts are not paid by my Revocable Trust, they are to be paid from my Residuary Estate, without apportionment, except to the extent provided in my Revocable Trust as to nonprobate and nontaxable assets.

ARTICLE 7
FIDUCIARY POWERS

I grant to my Personal Representative and the Trustee (collectively referred to as "the Fiduciary") full power to deal freely with any property in my estate, as specifically enumerated in Sections 733.601-619 of the Florida Statutes. The Fiduciary may exercise these powers, including the power to sell any real or personal property at public or private sale, independently and without the approval of any court. No person dealing with the Fiduciary need inquire into the propriety of any of its actions or into the application of any funds or assets. The Fiduciary shall, however, exercise all powers in a fiduciary capacity for the best interest of the beneficiaries of my estate.

ARTICLE 8
TAX ELECTIONS

I direct my Personal Representative to make federal estate and generation-skipping tax elections as instructed by the trustee of my Revocable Trust with respect to transfers under that trust. My Personal Representative is to be held harmless from any liability in making elections as directed by that trustee.

ARTICLE 9
TRANSACTIONS WITH OTHER ENTITIES

My Personal Representative may buy assets from other estates or trusts, or make loans to them, so that funds will be available to pay claims, taxes, and expenses. My Personal Representative can make those purchases or loans even if it serves as the fiduciary of that estate or trust, and on whatever terms and conditions my Personal Representative thinks are appropriate, except that the terms of any transaction must be commercially reasonable.

ARTICLE 10
MISCELLANEOUS PROVISIONS

10.1 Definitions. As used in this Will, the following terms have the meanings set forth below:

(a) **Residuary Estate** means my estate left after paying all pre-residuary gifts in this Will and all expenses and charges (other than estate taxes).

(b) The term **Trustee** refers to my Personal Representative, acting as trustee for any trust created in this Will. When serving as Trustee, my Personal Representative will have all the powers granted to trustees under Florida law, as well as the powers specified in this Will.

(c) Distributions that are to be made to a person's **descendants, per stirpes,** will be divided into equal shares, so that there will be one share for each living child (if any) of that person and one share for each deceased child who has then living descendants. The share of each deceased child will be further divided among his or her descendants on a per stirpes basis, by reapplying the preceding rule to that deceased child and his or her descendants as many times as necessary.

(d) The words **will** and **shall** are used interchangeably in this Will and mean, unless the context clearly indicates otherwise, that my Personal Representative must take the action indicated; as used in this Will, the word **may** means that my Personal Representative has the discretionary authority to take the action but is not automatically required to do so.

(e) **Disabled** or **under a disability** means (i) being under the legal age of majority, (ii) having been adjudicated to be incapacitated, (iii) having been incarcerated for more than thirty consecutive days, (iv) being unaccountably absent for more than thirty days or being detained under duress, or (v) being unable to manage properly personal or financial affairs because of a mental or physical impairment (whether temporary or permanent in nature). A written certificate executed by an individual's attending physician confirming that person's impairment will be sufficient evidence of disability under item (v) above, and all persons may rely conclusively on such a certificate.

10.2 Lapsed Gifts. If any gift is conditioned on the recipient surviving me or another person and no alternative disposition of that gift is specified, the gift will lapse and become part of my Residuary Estate if the designated recipient does not survive.

10.3 Notices. Any person entitled or required to give notice under this Will shall exercise that power by a written instrument clearly setting forth the effective date of the action for which notice is being given. The instrument may be executed in counterparts.

10.4 Certifications.

(a) From Trustee. For some purposes, my Personal Representative is instructed to rely on a certificate from the trustee of my Revocable Trust as to certain tax elections and other matters. That certificate must be in writing and witnessed by two impartial persons, but need not be notarized. It is to be delivered to my Personal Representative in the same fashion as provided for other notices.

(b) Facts. A certificate signed and acknowledged by my Personal Representative or the Trustee stating any fact affecting this Will, my estate, or any trust will be conclusive evidence of such fact in favor of any transfer agent and any other person dealing in good faith with my Personal Representative or the Trustee. My Personal Representative or the Trustee may rely on a certificate signed and acknowledged by any beneficiary stating any fact concerning the estate beneficiaries, including dates of birth, relationships, or marital status, unless an individual serving as Personal Representative or Trustee has actual knowledge that the stated fact is false. Knowledge of all other facts will be determined as provided in Section 736.0104 of the Florida Statutes.

(c) Copy. Any person may rely on a copy of this instrument (in whole or in part) certified to be a true copy by any person specifically named as a Personal Representative or Trustee (or successor Trustee); by any Corporate Trustee whether or not specifically named; or, if there are none of the above, by any then serving Trustee.

10.5 Dispute Resolution. If there is a dispute or controversy of any nature involving the construction, meaning, or effect of this Will or any trust created under it, or the disposition or administration of my estate or any such trust, then unless all parties in interest who are not disabled waive this section, I direct the disputing parties to agree on a manner of alternative dispute resolution. If there is no such agreement, the disputing parties shall submit the matter to mediation. If any party rejects mediation or refuses to participate in good faith, or if all issues are not resolved by mediation or the other form of resolution agreed upon, I authorize the court having jurisdiction over my estate or the trust to award costs and attorney's fees from that party's beneficial share or from other amounts payable to that party (including amounts payable to that party as compensation for service as fiduciary) as in chancery actions.

10.6 Adopted Children. A legally adopted child (and any descendants of that child) will be regarded as a descendant of the adopting parent only if the petition for adoption was filed with the court before the child's fourteenth birthday, except that this limitation will not apply to any child adopted by me.

10.7 Infant in Gestation. For all purposes of this Will, an infant in gestation who is later born alive will be deemed to be in being during the period of gestation for the purpose of qualifying the infant, after it is born, as a beneficiary of my estate.

10.8 Applicable Law. All matters involving the validity and interpretation of this Will are to be governed by Florida law.

10.9 Gender and Number. Reference in this Will to any gender includes either masculine or feminine, as appropriate, and reference to any number includes both singular and plural where the context permits or requires.

10.10 Headings. Use of descriptive titles for articles and paragraphs is for the purpose of convenience only and is not intended to restrict the application of those provisions.

Any interested person on whom a copy of the notice of administration is served must file with the court, on or before the date that is 3 months after the date of service of a copy of the Notice of Administration on that person, any objection that challenges the validity of the will or any codicils, venue, or jurisdiction of the court. The 3 month time period may only be extended for estoppel based upon a misstatement by the personal representative regarding the time period within which an objection must be filed.
